

HEGEL DISCUSSION LISTS IN THE INTERNET

[Kai Froeb](#)

Featured

Our active Hegel discussion list at groups.io

The hegel.net Hegel list was created in October 1998, so it is probably the oldest and biggest group / list to discuss Hegel related topics in the internet. It has been moved to groups.io recently for better services, all old messages and files have been moved too. Visit the group page following the link button below to access all files and messages or to ask questions and participate in the discussions.
